Dear Parents and Students,

We will have our annual School Wellness Committee meeting in conjunction with the mandatory parent/student meetings to be held in August. A school wellness committee is essentially an advisory group concerned with the health and wellbeing of students and staff. We will talk about our school wellness policy, what we are doing to follow our school wellness policy, and what more we can do to improve in the upcoming year. You are all invited to attend and give your input.

Thank you,
