Christmas Ornament Decorating Contest

It is time for the third annual Buckeye Hills Christmas ornament decorating contest. Each level of the lab can enter an ornament in the contest. For example, Early Childhood Education can have an ECE1 and an ECE2 ornament. The ornaments and colored permanent markers are located in the Red building at Ms. McCarley's desk; just come in and ask for an ornament and some markers. Be sure to return the permanent markers! You can use other things to decorate the ornament (some have used paint, glitter, etc.) The ornaments must be turned back to Ms. McCarley, and they will be displayed on the Christmas tree in the cafeteria. The ornaments must be turned in and on the tree by the morning of December 13th to be judged. The winning group and their instructor will be rewarded with biscuits and gravy from Bob Evans on December 18th.
