

## **Annual Notice for 2025 – 2026 School Year**

This document provides notice of the College Credit Plus (CCP) program to Buckeye Hills Career Center students in grades 10 through 11 and their parents by February 1. This information will be posted on the school's website, and written communications including those generally distributed to students, course booklet, student assembly, or information night.

**Brandi Stevens** is the designated point of contact for College Credit Plus at **the Buckeye Hills Career Center** and can answer student and parent questions related to the program.

### **College Credit Plus Costs:**

- (a) College Credit Plus opportunities have no cost to students, including the free option to attend public institutions of higher education. School districts have the option to seek reimbursement for the tuition the district has paid to the college on behalf of the student if the student receives a non-passing grade or withdraws after the no-fault deadline date. However, students that are considered economically disadvantaged CANNOT be asked to reimburse CCP costs.
- (b) There is a potential cost of participation with a nonpublic/private institution of higher education. Private colleges/universities have the option of charging a minimal fee to students.
- (c) Students who are economically disadvantaged cannot be charged for anything related to College Credit Plus. This includes students who choose to attend a nonpublic institution of higher education; they cannot be charged a minimum fee. See Ohio Administrative Code 3333-1-65.6(2) for details and the definition of economically disadvantaged.
- (d) **Buckeye Hills Career Center is not** a nonpublic/private school. For students attending nonpublic/private secondary schools, students must apply for state funding to participate, and this funding may be limited for students.<sup>1</sup>

### **Criteria for student participation, including, but not limited to, the following:**

- (a) Parents and students must participate in a counseling session prior to participation (which may be included as part of the Information Session).
- (b) Important Notice:

"Students must submit a **written notice of their intent to participate** in the upcoming academic year, by **April 1**, in accordance with section 3365.03 of the Revised Code, but may submit the written notice of intent to participate as early as February 15. Students desiring to participate in College Credit Plus in the summer are strongly encouraged to submit letters of intent and begin the admissions process starting in February and prior to the April 1 notice of intent deadline in order to improve chances of meeting summer registration timelines."

For students attending nonpublic/private secondary schools, students must submit their intent to participate within the funding application.
