Celebrating 50 YEARS of **CREATING SUCCESSFUL LIVES**

BUCKEYE HILLS
CAREER CENTER

This year marks a significant milestone in the life of Buckeye Hills Career Center. On August 26, 2025, we proudly celebrated our 50th Anniversary. This momentous occasion inspired us to reflect on the years that came before - to reflect on our beginnings and the reasons Buckeye Hills Career Center came to be.

Our mission has been the same since day one - creating successful lives. It's what we're here for. It's a mission that's bigger than just the people on our campus today. It's a mission that countless individuals since 1975 have devoted their life's work to.

And we're not stopping now.

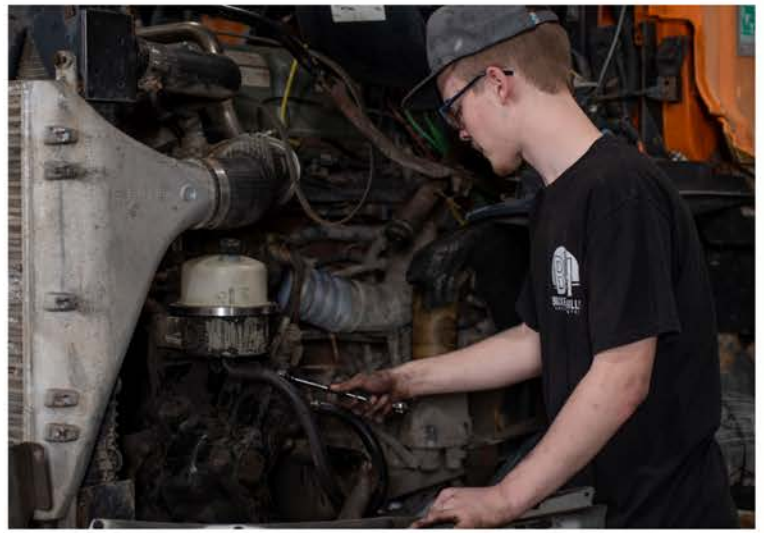

Knowing that we're a part of something this big drives us to continue the work that's been set in motion. It's why we challenge ourselves every day to be more and do more - to work hard, think big, and find a way - for our students and for our region.

As we honor our past and look to the future, let us boldly pave the way for generations to come, ensuring that the legacy of Buckeye Hills Career Center not only endures but transforms lives for another 50 years and beyond.
